Job Announcement

The Georgetown Fire Department is accepting applications for the positions of Probationary Firefighter/Emergency Medical Technician Basic.

Georgetown Fire Department is seeking a confident, motivated individual who works well with others to provide outstanding service to the citizens of Georgetown and surrounding communities. Our organization provides emergency services to a population of approximately 8,700 residents throughout a 12.9 square-mile primary response area. Combined Fire/EMS responses exceed 1,500 calls for service annually.

Qualified candidates must have a high school diploma or equivalent, must not use tobacco products, possess a valid Massachusetts driver's license, submit to an extensive background check, possess a valid Massachusetts Emergency Medical Technician Basic certification and complete a pre-employment medical examination including drug screening; the Town of Georgetown shall pay for medical examination. Candidates must be certified Firefighter I/II Pro-Board at the time of appointment. Candidates must also reside within the Town of Georgetown or a neighboring community within 6 months of appointment.

Upon appointment, qualified candidates will be assigned to an initial work schedule of 40 hours per week. Starting salary is $50,146. Additional compensation is available in the form of step increase after six (6) month probation, holiday pay, etc. for qualified candidates in accordance with the town's employee hand book. The Town of Georgetown also offers a competitive benefits package including health care.

A cover letter, resume, and copy of certification/licenses detailing qualifications can be summitted in PDF file (fmitchell@georgetownma.gov) or via mail address to the Chief of Department 47 Central Street, Georgetown, MA 01833 by 5:00 pm on January 30, 2019. The successful candidates will be chosen through a process that includes resume/ certification/licenses review, initial interview, and final interview.

The Town of Georgetown is an equal opportunity employer.
